International Health Insurance

ISIC

ISIC provides students with a photo ID and proves the current student status. It is the most internationally accepted student ID card. It provides discounts to thousands of locations in 116 countries. It comes with an Insurance Plan, a Mobile phone and calling card communications package and an emergency help line.

The cost of the entire insurance plan, with the card included is $25.

You must send Tessa McNeel, in the Global Engagement Center a photograph that can be put on the card.

Insurance Provided by the Global Engagement Center

All students **must** obtain their own insurance if they go on a semester or year-long study abroad program.

The Global Engagement Center offers two types of international health insurance to students. They are: HTH Worldwide and International Student ID Card (ISIC).

However, other insurances are out there and available. Please check your own insurance company to see if you may be covered.

For questions about these insurance plans please contact (435)-586-1995. Or look up: http://suu.edu/academics/studyabroad/parentinfoinsurance.html
