### Degrees Offered: Nationally Recognized Programs in Secondary Education

- The department of secondary education offers a variety of nationally recognized educator preparation programs approved by Specialty Associations of NCATE (The National Council for the Accreditation of Teacher Education).
- Licensure, Secondary Teaching.
- Bachelor of Arts/Science in Family and Consumer Sciences (emphases in Nutrition and Food Science)**

### Department Statement

As professional members of a life-long community, the department's mission is to prepare compassionate and reflective teachers who value diversity and excellence, promote creative and critical thinking, and celebrate learning.

#### GOALS OF THE DEPARTMENT OF SECONDARY EDUCATION

The goals of the department are to develop teachers/educators who:

- Are academically competent in subjects they are to teach.
- Have a broad background of general education and appreciate the value of both liberal arts and science in modern society.
- Have a working knowledge of psychology and human development, especially as it relates to teaching and understanding students.
- Have a practical knowledge of the historical and philosophical foundations of education.
- Have a sincere belief in the dignity of the individual and have compassion and empathy.
- Have a working knowledge of effective classroom management and the skills of teaching.
- Realize that teaching is both an art and a science.
- Realize that America is a culturally diverse society and have a commitment to multiculturalism and pluralism.
- Provide students with action based, experience rich learning opportunities.

#### Secondary Teaching License

Students interested in teaching in the secondary schools of Utah (grades 6-12) can complete course work leading to a Secondary Teaching License in the State of Utah. A Utah teaching license (elementary or secondary) is recognized by almost all other states and territories in the United States.

Secondary students are required to complete a Composite or an academic Teaching Major and a Teaching Minor in one or more of the University's academic colleges. In addition, a minimum of 30 semester hours of professional education course work must be completed in teacher education.

Secondary Block courses and Clinical Practice will be offered in separate semesters. Students are expected to complete secondary education courses according to an approved sequence and will not be admitted to the Secondary Education Professional Block unless 90% of their academic major and minor are completed.

**The Secondary “Block” Program**

The Secondary “Block” Program at Southern Utah University is a unique combination of methods classes and practicum experiences. Students need to be aware of the commitment and preparation required to be successful as a public school teacher. Due to the limited enrollment in the Secondary Block Program, it is necessary for students to make advance application for entry into the Block one semester prior to enrollment (Sign-up dates are posted).

The “Block Program” consists of 6 credit hours of methods instruction which includes SCED 3570, SCED 3590. SCED 4520, a capstone experience which follows the block, is a unique field-based practicum consisting of a one-week urban practicum and seminar discussions in a multicultural school setting such as Clark County or other locations. Students travel for these practicum experiences at their own expense. A fee of \$60.00 is required.

Prior to application for and enrollment in Secondary Block courses students must be admitted to the Teacher Education program; required classes must be completed, background check completed and cleared, and 90% of major and minor must be completed.

**Specific Clinical Practice Requirements for Secondary Candidates**

- To be eligible to complete clinical practice in a secondary school setting, a candidate:
- Must have been officially admitted to the teacher education program for at least one full semester.
  - Must have completed 90% of approved secondary major and minor.
  - Must take the Secondary block the semester immediately preceding clinical practice.
  - Will not register for any other course work during clinical practice.
  - Will have completed the following courses: Professional Education Requirements for Secondary Licensure. Required Credits: 30 minimum in Education. Required Courses: EDUC 3170, SCED 3200, Academic 4900 (methods of teaching course in area(s) seeking licensure); and SPED 3030. The Secondary Block (consisting of 6 hours of methods instruction including SCED 3570 and SCED 3590). SCED 4520 (Practicum Seminar) and SCED 4980 (Clinical Practice) are taken the semester following the secondary block.
  - Will have completed Academic 4980 (Clinical Practice in the content area).

**Specific Clinical Practice Requirements for Secondary/Special Education Dual Major**

To be eligible to complete clinical practice in a special education school setting, a candidate:

- Will meet all requirements for clinical practice outlined above.
