DEPARTMENT STATEMENT

The mission of the music department is to provide students a personalized learning environment to foster meaningful cultural experiences in the performance, understanding, and appreciation of the discipline and art of music.

GOALS

1. Affirm integrity as represented by and in the performance of music, as an example of the highest in human aspiration and artistic truth,
2. Develop an analytical, creative, and intuitive understanding of music as a universal, Pan-Cultural language,
3. Develop an understanding within students of the value and inspiration that music provides in supporting cultural and societal unity, and enhance the ability of students to develop critical cognitive skills,
4. Afford students opportunities for cultural and aesthetic experiences through active participation in music which

will enhance their understanding and appreciation of the arts.

5. Enhance cultural and aesthetic experiences for the University, community, southern Utah, and the region through the development of excellence in the field of music teaching, and in the presentation of recitals, concerts, musical and operatic productions, workshops, festivals, competitions, and master classes.

The department provides instruction and experiences appropriate to its degree programs; provides coursework in music for general education and music performance; and produces musical events and concerts which enhance the cultural opportunities for the campus and community.

The department offers a music education composite major with a choice of emphasis in the music education program in secondary choral/vocal or secondary instrumental; a professional degree with an emphasis in vocal performance, instrumental performance, or piano performance; and a liberal arts music degree with emphasis in performance. An entrance audition must be passed before acceptance into a music degree program is granted. The department offers an academic minor in music.

DEGREE REQUIREMENTS

An audition is required to be admitted into the music major. The music department follows National Association of Schools of Music Requirements.
