Aviation Club

Hey all!

The highway litter clean-up was a huge success! together we picked up 5 huge trash bags of litter (over 250 pounds of stuff). The plan, for now, is to do another clean-up at the end of the tour season to keep the area in top shape.

A huge shout out to all of our volunteers that showed up and made this all possible!

Coming down the pipe for the club is a tour of the McCarran ATC facilities. Currently, I'm in contact with the ATC manager and waiting on their covid restriction to lift for visitors. Besides that, we have another casino night planned for December, with more details to come.

All in all, it's going to be an awesome year for the club and we really appreciate your support and attendance.

Be cool,
-Jarrod

Financial Aid

If you are enrolled in the Rotor Wing Instrument Lab (2216), and upon completion will enter your Commercial Lab (2276) during the Fall 2021 semester, you have the opportunity this semester to apply for the \$20K Rotor Wing scholarship.

Scholarship recipients are chosen by the SUU Aviation Scholarship Review Committee. They will notify all applicants of their status via email. Scholarships will be paid directly to the student's SUU account and applied to the appropriate semester charges.

Please get in contact with me if you have any questions (romanickjocelyn@suu.edu or 435-586-7849). The link to the application is below and is due June 30, 2021 by 11:59 PM MST. Best of luck!

-Jocelyn Romanick
