

We're back!

# Let $G$ be a graph

Who eats whom? Who beats whom? Who works well with whom? Why are governments bipartisan? Why is voting full of paradoxes?

These are the questions that will guide this workshop's chain of topics. Expect a focus on modeling and Graph Theory, but no need to have attended the first workshop.

USU's second workshop for Math Educators on **Discrete Mathematics**

June 6, 2009

9:00 am to 6:00 pm. LIB 411

Presenter: [Dr. David E Brown](#)

Sponsored by: PCMI, NSF, IAS

**UtahState**  
UNIVERSITY
