

Last Home Visit Checklist

SUU Head Start

Parents initial each item reviewed during the home visit. If all items cannot be discussed during the home visit, parents or guardians date and initial the item when it is completed.

National Reporting System Assessment

___ Child was given the Spring National Reporting System Assessment.

Review of Child's Strengths and Progress

___ Parents and teachers reviewed the child's work from their portfolio and the child's growth and development was discussed.

___ Child's progress in each domain of the Core was reviewed.

___ Parents were given Home Play Calendars for the summer months to help them plan activities that will support their child's continued progress toward Kindergarten.

Kindergarten Transition

___ Parent reported child would attend Kindergarten at _____ Elementary School.

___ Parents were given the opportunity to sign a permission form allowing Head Start to share their child's Core Record with their Kindergarten teacher. Parents who plan to move out of the area were encouraged to share the Core Record with their child's new teacher.

___ Teachers checked with parents to be sure they were able to attend Kindergarten Orientation and offer information about getting their child enrolled if they were unable to attend.
