Theatre Arts and Dance
Production Experience Request Form
Spring 2009

What Production Experience is:

All students in the Theatre Arts and Dance Department are required to be actively involved in at least one production per semester. Active participation can be accomplished in a variety of ways including being a member of the production team or cast of a show, as well as through enrollment in any of the theatre practicum courses.

What this Request Form is for:

This form will be used to assist the faculty in assigning roles within productions to students who do not currently meet the production experience requirements.
