## Happy Holidays

As we prepare for the Holidays keep in mind our lines are shorter than our friends at the Cedar City Post Office and we offer all the same services. Don't stand in long lines, bring us your packages and letters and let us mail them for you.

We also have the latest Christmas stamps available as well as packaging supplies for sale. Also don't forget that with Priority Mail the USPS offers free shipping supplies.

New this year is the addition of free parking. The parking lot between the Library and the Multipurpose building now offers 15 minute parking stalls close to the building.

Box holders: Please don't try to forward your mail home for the holidays, it takes up to 3-4 weeks for forwarded mail to catch up to you.

Thanks.

Did you know you can send a letter to Santa?

However the USPS has a few rules about sending letters and packages to Santa, “Like all mail, it’s important that letters to Santa include a complete return address with ZIP Code and a First-Class postage stamp. Santa enjoys candy canes and cookies, and his reindeer are known to enjoy fresh hay. But because these treats can be damaged or crushed when sent in an envelope, Postal officials know that such treats are best left under the tree on Christmas Eve.” USPS Press Release titled:

**'LETTERS TO SANTA' ADD TO THE MAGIC OF THE HOLIDAYS**  
***And a letter from Santa is even better!***
