PROJECT INFORMATION

Project's Title:

Which of the following describes the project:

- individual or group student project class project

CHECKLIST

To be eligible for UGRASP funds, a project must satisfy the following criteria:

- The activity has clear pedagogical benefits to the student(s)
- The activity or project is "inquiry based" (designed to answer a question or solve a problem)
- The student(s) will be creating/discovering new compositions, knowledge, and/or applications
- The results of the project have the potential to make a professional contribution to the field
- The results of the project will be formally disseminated to others in the field by the student(s). As a minimum, the results of the project (whether completed or not) must be presented by the student(s) at this year's annual Student-Faculty Scholarship Day.

SIGNATURE

I have reviewed the UGRASP grant application form for this project. I believe the project satisfies all the criteria listed above and I recommend that it be funded.

Signature of Department head or chair

Date

- In the event the department head or chair is the mentor/class instructor named on the project, this form must be signed by the dean of the department head or chair's college.
