This document is an application for housing at Southern Utah University. If the University offers you housing in response to your application and you pay the advance rent due in the timeframe specified (see below), the Family Housing Application and License Agreement ("Agreement") terms included in this same document automatically apply and are legally binding on the Applicant, who is then referred to as the Resident. By signing a printed version of this Agreement or clicking the "I Agree" button on an electronic Agreement, I agree to be bound by the terms below.

As part of my application for University Housing, I acknowledge and agree to the following:

I. Terms for Application

1. APPLICATIONS:
 - 1.1. I must be an admitted student to Southern Utah University before my application will be accepted.
 - 1.2. To apply for a University Housing Residence, I must complete, sign, and return a printed Agreement to University Housing Department (UHD) or submit an electronic Agreement via MyHousing.
 - 1.3. I understand that I may be asked to submit information about previous housing and references as part of my application. I agree that UHD may contact my references during the application process.
 - 1.4. My application does not guarantee that I will receive an offer for University Housing. Initial housing offers will begin immediately following applications.
2. APPLICATION FEES AND ADVANCE RENT PAYMENTS:
 - a. I understand that my application will not be considered complete unless all fees, as outlined below, are received by UHD. These fees cannot be waived or deferred.
 - b. I understand that a \$50 non-refundable application fee is required with my application for housing. My application will not be processed until the fee is received. Financial Aid awards will not cover the application fee but may be used for future Rent payment.
 - c. I am aware that in order to accept a housing offer and guarantee my housing assignment, I must remit a \$1250/\$1150 first month's advance rent payment within thirty days of the date of offer. Applications received after July 1 (December 1 for Spring semester) are considered late and must have advance rent payments remitted within 10 days of the offer being made. Offers made within 10 days of the start of school require immediate payment of the advance rent to be accepted.
 - d. The advance rent payment will be applied to my total rent and serve to confirm my intent to live in the designated University Housing for the Academic Year (defined below) and my financial obligations under this Agreement. Failure to respond and/or make the advance rent payment as required will automatically result in the cancellation of my application and nullification of my Residence assignment.
3. If I require accommodations with this Agreement or for housing arrangements, as defined by the Americans with Disabilities Act, I will promptly contact the Coordinator of Services for Students with Disabilities at (435) 586-7845.
4. I represent and warrant that I am confirming that all information included in my application is correct and I am the Applicant as represented. Misrepresentation or false information of any sort on my application is grounds for cancellation of my Agreement by UH.
5. Definitions included in Section II below apply to this Section I.

15. TERMS OF THE ENTIRE AGREEMENT:

The provisions contained in this Agreement, constitute the entire Agreement between the parties with respect to the subject matter of this Agreement, and no prior or contemporaneous statement or inducement with respect to the subject matter by either party or by any agent or representative of either party that is not contained in this Agreement shall be valid or binding between the parties.
