## Acknowledgement

This is a legally binding agreement with financial obligations. By signing a printed housing application or clicking the "I Agree" button associated with online applications, I acknowledge and agree to the terms contained within this agreement, which includes the following:

- I understand that the term of the agreement is for the full academic year, August 22, 2016 through April 28, 2017 not including the winter break.
- A \$50 non-refundable application fee is required to apply for housing. My application is not complete until I pay the application fee and receive a confirmation email from University Housing (UH). Application does not guarantee that an offer will be made. Initial housing offers will begin in May.
- I am aware that in order to accept a housing offer and guarantee my assignment, I must remit a \$300 advance rent payment within thirty days of the date of offer. Applications received after July 1 (December 1 for Spring semester) are considered late and must have advance rent payments remitted within 10 days of the offer being made. Offers made within 10 days of the start of school require immediate payment of the advance rent to be accepted.  
The advance rent payment will be applied to my total rent and serve to confirm my intent and financial obligation to live in UH for the academic school year. Failure to respond and make the advance rent payment as required will automatically result in the cancellation of my application and nullification of my room assignment.
- If I require accommodations, as defined by the Americans With Disabilities Act, I will contact the Coordinator of Services for Students with Disabilities at (435) 586-7845.
- I agree to live by the terms of this license agreement and all relevant documents referenced herein (e.g. Resident Handbook, Application, Roommate Agreement, and Student Code of Conduct) for the entire agreement period.
- I understand that if I accept assignment to Cedar Hall for the academic school year, I will be required to purchase and maintain a meal plan as outlined within the University Housing application.
- I understand that I am confirming that all information included in my application is correct and I am the applicant as represented. Misrepresentation of any sort on my application is grounds for cancellation of my application and agreement by University Housing. I understand that if I am under the age of 18, a signature from my parent or legal guardian must be submitted on a hard-copy paper application to Housing. A paper application may be requested at [housing@suu.edu](mailto:housing@suu.edu).

### 4. OFFICIAL COMMUNICATION:

- 4.1 Students admitted to Southern Utah University have access to the online student portal, known as mySUU (<http://my.suu.edu>). Through mySUU, students are required to keep contact information current and correct. For all UH residents this must include an email address and preferred phone number (likely a cell phone). All electronic communication sent by UH will be sent to this email address and residents will be held responsible for the information therein. UH may also employ mySUU or myHousing to send targeted messages and post information about an individual resident's housing application and agreement, assignment, and other important information.
- 4.2 Most official written communication, with the exception of parental notification letters, will be sent to the resident's preferred mailing address whether that is on or off campus. Certain official written communication from UH will be held for residents at the UH office or the front desk of their residence for pick-up. Residents will be required to sign for these documents.
- 4.3 UH reserves the right to use the resident's cell phone number, as found in mySUU, for contacting the student and UH will not be responsible for any charges incurred by the resident for such calls.
- 4.4 In accordance with the Family Educational Rights and Privacy Act of 1974 (FERPA), known as the Buckley Amendment, UH may release directory information (<http://www.suu.edu/ss/registrar/rights.html>) without the prior, written consent of residents. Residents may restrict their directory information from release by contacting the Office of the Registrar.

### 5. APPLICATIONS, APPLICATION FEES AND ADVANCE RENT PAYMENTS:

- 5.1 Residents must be admitted to Southern Utah University before an application will be accepted. Additionally, residents must complete, sign, and return a printed application and agreement to UH or submit an electronic application via MyHousing. A non-refundable \$50 application fee must accompany all applications in order to be considered; an advance rent payment of \$300 is due within 30 days of the offer date for applications received before July 1; within 10 days for applications received after July 1 or immediately for applications made within 10 days of the first day of classes. Financial Aid awards will not cover the application fee, but may be used for the advance rent payment. These fees cannot be waived or deferred. The advance rent payment will be applied to the total rent for the resident's assigned room and is collected to guarantee assignment and commit the resident to University Housing for the term of the agreement.
- 5.2 Housing applications will not be considered complete unless all fees (non-refundable \$50 application and \$300 advance rent payment) are received.
- 5.3 All fees must be paid with each new application submitted to UH.

- 5.4 Residents will be responsible for the truthfulness of the information provided on their application. If UH determines that information provided is false, the student may be removed or transferred to another residence at their own expense.
- 6. ASSIGNMENTS:**
- 6.1 Assignment to and occupancy of a room is subject to admission, enrollment in University classes, completion of the application and space availability. Offers will only be made to students who have paid their enrollment commitment fee to the University.
- 6.2 Assignments are made based on a combination of criteria including the resident's application date, preferences, living learning community requests, mutual roommate requests and space availability. UH will make every effort to assign a resident to one of his/her preferences. However, UH is not able to guarantee preferences or an assignment to any particular room.
- 6.3 Room/Residence reassignment requests, roommate requests and preference changes for the academic year and academic year plus may be submitted to UH until July 1. Reassignment requests will only be accepted from residents whose \$300 advance rent payment is paid in full and who have turned in a completed application. Only one request per resident will be processed prior to occupancy.
- 6.4 While every effort will be made by UH to notify a resident of assignment changes prior to occupancy, residents should periodically review their MyHousing account to determine changes in room and roommate assignments.
- 6.5 Roommates are assigned by UH based on answers to personal and living preference questions and mutual roommate requests submitted via MyHousing. No guarantee is made that mutual roommate requests will be honored.
- 6.6 In the interest of creating inclusive communities and in an attempt to include every individual student, UH is committed to policies of nondiscrimination and equal opportunity, and pursues affirmative action with regard to race, color, national origin, sex, age, status as an individual with a disability, religion or faith system, sexual orientation, and status as a veteran with a disability or a veteran of the Vietnam era. Students with disabilities and/or serious medical conditions requiring special accommodations must contact Disability Services as soon as possible. Approval of special accommodations is contingent on Disability Services' receipt of appropriate medical documentation. Students who have a documented need to have an assistance animal must contact the ADA Coordinator and submit medical documentation. SUU will seek to place all students in the room, suite, or apartment option that best suits their needs.
- 7. RESIDENCE/ROOM TRANSFERS:**
- 7.1 Transfer of occupancy from one room/residence to another room/residence may be done only with the approval of UH. Room/residence transfers will take place after the second week of each semester. Transfers will only occur if the requesting resident's University account is paid in full or if a payment plan is up-to-date. The resident's account will be charged or refunded a daily prorated amount for a difference in residence rents. A \$50 fee will be charged to the resident's University account for each room/residence transfer. Failure to complete the transfer in accordance with the room/residence transfer deadline may result in daily charges for both assigned rooms.
- 8. CANCELLATION PRIOR TO OCCUPANCY:**
- 8.1 Cancellation of this application prior to occupancy is only valid if received in writing via postal mail, email, fax, or hand delivered according to the schedule of applicable dates contained within the offer letter and herein. Only the resident who entered into this application may submit a cancellation request. The postmark (letter) or date stamp (email or fax) will serve as the date of official notification; hand delivered cancellation requests will be stamped by UH staff. Send cancellation requests to: Mail – University Housing at Southern Utah University, 351 West University Blvd., Cedar City, Utah, 84720; Email – housing@suu.edu; or Fax – (435) 586-7895.
- 8.2 Cancellations received prior to July 1 will initiate the return/cancellation of all fees except the non-refundable \$50 application fee.
- 8.3 Cancellation of applications received after July 1 will not be eligible for a refund.
- 9. OCCUPANCY AND CHECK-IN:**
- 9.1 Occupancy begins when a resident accepts a key to his/her room and/or residence. Only the resident assigned to a room/residence may take possession of the assigned key and only the resident assigned to a room/residence may occupy that room/residence. When necessary, a resident may be required to move to another room in order to consolidate unassigned space. Resident may also exercise the option, if available, of occupying an unassigned space in the resident's assigned room at an additional cost. The resident may only occupy the type of room for which the resident is paying.
- 9.2 If a resident is assigned and occupies a disability-adapted room, the resident may be required to change rooms at any time in the event that there is a need to accommodate a resident with a disability.
- 9.3 Academic year check-in dates for the upcoming year will be published during the preceding spring on the UH website ([www.suu.edu/housing](http://www.suu.edu/housing)).
- 9.4 If a resident fails to take occupancy by the third day of the semester he/she will be considered a "no show", and his/her application and assignment will be cancelled if he/she is not enrolled. The \$300 advance rent payment will be forfeited. In the

event that a resident must check-in later than three days into the start of the semester, she/he must notify the UH office in writing (email, fax, or postal mail).

- 9.5 Students who would like to request early move-in may do so via the housing website. Early check-in is only possible if space permits and for an additional fee.
