Resources for You

Hey T-Birds! We want you to have a successful semester!

Here are a few campus resources that can help you finish out this semester strong! These are also great resources that you can use in the future. Remember these as you continue with your education!

- The SUU [Student Involvement & Leadership](#) exists to help all students get involved, make connections, and develop the leadership skills necessary to

succeed beyond the classroom and after college. STIL advocates for and provides a voice to each student to ensure successful and meaningful experiences, both inside and outside the classroom. STIL is dedicated to helping all students find success and accomplish their goals.

- The [Disability Resource Center](#) helps to retain students with disabilities and short-term conditions by giving them equal access to education through providing academic accommodations, modifications, or interim measures in accordance with ADA law, as well as connecting them to additional support services.

NON-TRAD STUDENT HIGHLIGHT

**We'd Love to
Highlight You!**

Our student highlight this month :
Rachel Taylor

Major: Theatre Education

What Makes You a Non-Trad: Married and a transfer student

About You: My favorite memory is from my first date with my now husband, at the park on Main Street in the middle of December in the freezing cold at around 10 pm, trying to teach him how to swing dance, and him dropping me on the ground trying to dip me!

I chose SUU because my aunt came here and almost jokingly suggested it as an alumni ambassador, but then I found out there was a program for my degree here, so I decided to attend SUU!

We are highlighting non-traditional students in our newsletter! We love to see what our students are up to and would love to help you see some familiar faces on or off campus.
